

Associate & Senior Financial Auditors - Cairo

[Apply Now](#)

Company: EY

Location: Egypt

Category: business-and-financial-operations

From small businesses to some of the world's best-known brands, our clients count on reliable financial statements, information, and processes to inform their ongoing strategies. More than ever, business is about interpreting and reacting to complex data - and they look to us for advice and services they can trust every time. You will use your professional skills and experience to make it happen, handling complex audit procedures across a broad range of industries and responsibilities.

Our tailored external audit services help build trust and confidence through transparency, clarity, and consistency. We are 79,+ professionals based worldwide across countries.

Audit services involve reporting on the fairness in all material respects with which a client's audited financial statements are presented, in conformity with the applicable financial reporting framework.

The opportunity

EY is looking for Associate & Senior Auditors to join our Audit practices in Cairo, Egypt. In this role, you will help our clients meet their requirements by accurately reporting on financial statements and providing meaningful insights into accounting and reporting matters. In return, you can expect leading-class learning and development tailored to your unique interests and motivations. You will be given all the skills, knowledge, and opportunities to progress and become ready to build a better working world for our people, our clients, and the communities that support us.

Your key responsibilities

As a member of the Audit team, you'll make a technical contribution to audit engagements

and internal projects. You'll actively establish internal and external relationships and identify and escalate potential business opportunities for Ernst & Young on existing engagements. With a clear focus on anticipating and identifying risks, you'll escalate issues as appropriate. You'll confirm that the work delivered to clients is of high quality and is reviewed by the next-level reviewer.

Skills and attributes for success

Pro-activity, accountability, and results-driven people will flourish in this environment. Dealing with competing priorities, understanding how to manage resources, and communicating effectively are key skills. This will have a huge impact on those around you and help promote a positive work ethic.

To qualify for the role, you must have

A degree in accounting, finance, commerce or a related field

Professional qualifications, such as ACCA, CA, ACA, CPA

At least three years of professional experience in external financial audit

Ideally, you'll also have

Track record with an international audit firm

Proficiency in the Arabic language

What we look for

We are interested in entrepreneurs who have the confidence to develop and promote a brand-new strategic vision both internally and externally. You will be business savvy with a passion for innovation as well as the motivation to create your own EY journey. If you have significant experience gaming technology and are passionate about improving the performance of businesses, this is the role for you.

What we offer

We offer a competitive compensation package where you'll be rewarded based on performance and recognized for the value you bring to our business. Plus, we offer:

Continuous learning: You'll develop the mindset and skills to navigate whatever comes next.

Success as defined by you: We'll provide the tools and flexibility, so you can make a meaningful impact, your way.

Transformative leadership: We'll give you the insights, coaching, and confidence to be the leader the world needs.

Diverse and inclusive culture: You'll be embraced for who you are and empowered to use your voice to help others find theirs.

If you can demonstrate that you meet the criteria above, please contact us as soon as possible.

The exceptional EY experience. It's yours to build.

EY | Building a better working world

EY exists to build a better working world, helping to create long-term value for clients, people, and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 100 countries provide trust through assurance and help clients grow, transform, and operate.

Working across assurance, consulting, law, strategy, tax, and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.
