Company: EY

Location: Egypt

Category: other-general

From small businesses to some of the world's best-known brands, our clients count on reliable financial statements, information and processes to inform their on-going strategies. More than ever, business is about interpreting and reacting to complex data - and they look to us for advice and services they can trust every time. You will use your professional skills and experience to make it happen, handling complex audit procedures across a broad range of industries and responsibilities.

Our tailored external audit services help build trust and confidence through transparency, clarity and consistency. We are 79,+ professionals based worldwide across countries.

Audit services involve reporting on the fairness in all material respects with which a client's audited financial statements are presented, in conformity with the applicable financial reporting framework.

The opportunity

EY is looking for a manager to join the Audit team to lead on complex audit engagements and support growth of the Audit business.

Your key responsibilities

As a manager, you'll manage the delivery of audit engagements by defining the audit strategy in consultation with the Senior Manager / Partner and executing it in compliance with Ernst & Young's policies and protocols. When required, you'll personally execute complex audit procedures and lead teams or parts of teams on engagements, depending on the size of the engagement. You'll also assist in managing the financial aspects of engagements by organizing staffing, tracking fees and communicating issues to project leaders as well as

participate in business development initiatives.

You'll actively establish, maintain and strengthen internal and external relationships and confirm that work delivered to clients is of a high quality. As part of this, you'll anticipate and identify risks and escalate issues, as appropriate. As an influential member of the team, you'll help to create a positive learning culture and will coach and counsel junior team members and help them to develop through effectively supervising, coaching and mentoring. You will also contribute to people initiatives including recruiting, retaining and training Assurance professionals and contribute to the maintenance of an educational program to continually develop personal skills of staff.

Skills and attributes for success

Pro- activity, accountability and results- driven people will flourish in this environment.

Dealing with competing priorities, understanding how to manage resources and communicating effectively are key skills. This will have a huge impact on those around you and help promote a positive work ethic.

To qualify for the role, you must have

Strong academic record, including a degree and accounting qualification, such as ACCA or CPA

At least seven years of professional experience in external audit

Thorough knowledge of current auditing techniques and experience managing teams

Experience with a Big 4 accounting firm

Proficiency in the Arabic language

Experience of risk-based audit process

Project Management experience

Understanding of currently applicable and upcoming IFRS

Knowledge of use of audit tools and data analytic tools

Coaching, mentoring and counselling experience

Fluent English communication skills

Effective presentation skills

What we look for

We are interested in entrepreneurs who have the confidence to develop and promote a brand-new strategic vision both internally and externally. You will be business savvy with a passion for innovation as well as the motivation to create your own EY journey.

What working at EY offers

Support and coaching from some of the most engaging colleagues around
