

## Senior Java Software Engineer - Jumia (Full Time)

[Apply Now](#)

Company: Jumia

Location: Egypt

Category: computer-and-mathematical

**About Jumia Cairo Tech Center** Want to be part of the biggest tech center in Africa and work in mixed teams with over 16 different nationalities? Join Jumia Cairo Tech Center where tech meets purpose. At Cairo Tech Center you will be managed by and mentored by top tech leaders in both Portugal and Egypt. You will also be working with state of the art technologies & methodologies, and using agile philosophy, all as means to improve the lives of millions of Africans across the continent by offering them convenient and affordable online solutions. And with that as our PURPOSE, innovation at Jumia NEVER stops and you will be moving from one exciting challenge to the next. **What you will be doing:**

You will be part of an agile team that develops e-commerce, smart logistics, and payment solutions

Your work will integrate a service oriented architecture using state- of-the-art technologies and software development practices; You will own your services and be responsible end-to-end

You will take ownership for your code to be qualitatively high and you will support your colleagues in code reviews

You will change the Internet landscape in Africa and the World one line of code at a time

### **What we are looking for:**

Minimum of 3 years of experience

Experienced with Object Oriented Programming (OOP)

Experience with development in Java (and ideally Spring Boot framework)

Acquainted with building testable code, unit tests and/or integration tests

Knowledgeable of software design and architecture patterns

Knowledgeable of SQL and relational databases

Fluent in English

### **We Offer :**

A unique experience in an entrepreneurial, yet structured environment

A unique opportunity of having strong impact in building the African e-commerce sector

The opportunity to become part of a highly professional and dynamic team

An unparalleled personal and professional growth as our longer term objective is to train the next generation of leaders

Please ensure to only apply for jobs with Jumia through our official website. Jumia will never charge you a fee to apply for a job: be wary of websites that claim to help you apply for a Jumia job or that charge a fee to get you a job.
