Company: INTERNET SOLUTIONS

Location: Giza

Category: arts-design-entertainment-sports-and-media

JobDescription

Searching for a chance to write all day? We are looking to expand our team to include content writers (translation based) who can add value to our websites with exciting and informative website content. You will be a part of a quickly flourishing company with an abundance of growth opportunities for its employees.

PrimaryResponsibilities:

Writing Intensive Role which includes writing all day

Write / translate 2,000 to 3,000 words of keyword-rich website content daily

Utilize SEO keywords to create enhancing written content

Stay abreast of SEO content best practices

Follow style guidelines to ensure consistency across websites

Assist with QA/editing tasks as needed

JobRequirements

Bachelor's degree

Professional English to Arabic translation

Familiar with SEO technical terms and expressions.

Ability to create written content about a wide array of topics

Experience leveraging keyword density standards to write copy

Proven ability to follow style guidelines consistently

Extreme attention to detail

Basic knowledge of SEO writing and keyword search preferred

Ability to multi-task and meet tight deadlines
